•Highest RCMusic Theory Grades and Averages in GTA•

•Virtual Online Classes•

Classes are taught on Zoom. Contrary to RCMusic Online classes, these classes are instructor-guided and interactive with questions answered during class. Students will need to use a laptop with the Zoom App downloaded. We will email you the Meeting ID and password prior to the first class. For best results, students should attend the Zoom class with their video turned on.

•Virtual Online Test•

Class tests in pdf format will be emailed to students and are due the same day or next to ensure they are graded. Please return as pdf. We will grade them and email them back to you. Though you may prefer these come into your children's computer, be sure that you keep a check on weekly/biweekly test results. History comprehension will be tested orally and with periodic written tests. Students are required to complete tests at home. Parents must ensure that these tests are completed and returned no more than one day later.

•Virtual Class Homework Planner•

There is a homework planner in the front of the textbooks. It is up to parents to ensure that students have completed their homework. The concepts are taught and tested to gauge retention and the ability to follow procedures in preparation of homework assignments. Serious, mature students who take responsibility for their learning and homework will do excellently in a class.

•Virtual Online Private Lessons•

If students have trouble completing tests correctly, memorizing or understanding the reading in the textbook on their own, they may register for a private online lesson. While a child may understand when the teacher shows examples on the whiteboard, they may be paralyzed in their own attempts by fear, uncertainty, lack of short term/long term memory or inertia. The sooner we identify the cause and address that issue, the better. Classes follow a schedule to cover the material in a 12-week period. Level-8 is a two-hour high school level exam. Level 9 through ARCT are three-hour University Level Exams.

•4 National Gold Medal Theory Winners•

Ware Academy students won the RCMusic National Gold Medal in Music Theory for the years of 2009, 2010, 2014 & 2016. It represents the highest average in Canada for All Theory Requirements (excluding rudiments) for the ARCT diploma. All of our winners maintained an average of 94 or above on all their RCMusic Exams Grades, excluding Level 5-8 Exams. They took all their history classes at Ware.
